CAPE ROSEVIA FRIENDS & FAMILY RESORT

COMING SOON: SPA, POOLS & SAUNAS COMPLEX

Dear Customers, Travellers and World Explorers!

With great joy I am presenting you the new edition of our company catalogue. For some travellers it has become an important indicator of trends and the best visit-worthy places and hotels in the world. Our collection of unique itineraries, resorts and holiday ideas is a combination of our personal experiences and the essence of your impressions.

Luxury tourism market is constantly evolving. This is why we are there to inform you as often as possible and provide you with regular catalogues and newsletters. New resorts, hotels and ships are emerging all the time. We visit each of them in person. Countries, that in the past were deficient in luxury accommodation, nowadays have a lot to offer in this field.

In this edition I would like to highlight the beginning of our cooperation with ultra-luxury AMAN hotels. We are the only company in Poland to have direct contracts with every hotel belonging to this group. It is also directly connected with the benefits for our clients.

I cordially invite new people, who do not know our company, to take advantage of our services. We offer attractive bonuses and complimentary additions that have been negotiated especially for Luxury Travel's clients. You can always count on better prices than those offered by popular booking engines. CALL US AND COMPARE – you will definitely not regret it.

Due to the development of our company and our VIP clients' increasing expectations, we are proud to invite you to our exclusive private office in 50/23 Hoza Street, starting this year in April. It is a special venue for top-class customer service and individual destination presentations. It is a place, where you can unwind from everyday life drinking a cup of delicious coffee or a glass of wine. We also offer a babysitting service to have your children entertained while you plan your next holiday in a relaxed atmosphere.

Yours faithfully,
Diana Carter
